

Open Belgian Championship Field Target

August 14-15, 2010.

On August 14 and 15 the BFTSA organises the Open Belgian Championship FT in 't Mispunt (Maasmechelen).

The Belgian Championship will be shot over 2 days, a course of 50 targets will be shot on each competition day.

The Open Shoot FT will be shot on Sunday, together with the second heat of the Belgian Championship.

This tournament is open for all FT, however only members of the VSK/URSTBF with the Belgian nationality are eligible for classification in the Belgian Championship FT. There will be separate classifications for the Belgian Championship and the Open Shoot.

For the Belgian Championship, only class 1 and 2 will be shot in a combined class. In the Open Tournament, there will be separate classifications for class 1, 2, 3 and 4.

Only airguns with a muzzle energy of less than 16 J (12 fpe) are allowed, rifles that exceed the limit of 16 J will be excluded.

Targets are situated between 8 and 50 meter.

There a time limit of 1 minute per target.
